Education

JSS ATEN

Bachelor of Science in Computer Science

- **Relevant Coursework:** Python, Java,C (basics), UI/UX(Unity)

Sept 2024-June 2028

Noida, Uttar Pradesh

Experience

UniFinds

Data Entry Operator

- Worked extensively with Google Sheets for managing and organizing large datasets.
- Collected data from different colleges and accurately entered and maintained records.
- Verified and updated information to ensure data accuracy and consistency.

Sept 2025 – Oct 2025

Noida, Uttar Pradesh

GouravGo

UI/UX Designer

- Designed user-friendly UI/UX interfaces in Unity for interactive applications and games.
- Designed and optimized menus, layouts, and interactive elements for smooth navigation.
- Improved interface flow and design consistency for better user interaction.

Feb 2026 – July 2026

Noida, Uttar Pradesh

Projects

Krushu | *React.js, Node.js, MongoDB, TensorFlow, AWS*

- Developed a smart agriculture platform connecting farmers with modern digital solutions for crop and resource management.
- Designed and implemented role-based dashboards for farmers, administrators, and agricultural experts using React.js and Node.js.
- Built a scalable database system using MongoDB to manage farmer records, crop data, and agricultural insights efficiently.

Sign-Language-Interpreter | *Python, OpenCV, MediaPipe, TensorFlow/Keras, and CNN*

- Developed a real-time Sign Language to Text & Speech Conversion system using Python, OpenCV, MediaPipe, TensorFlow/Keras, and CNN, capable of recognizing American Sign Language (A-Z) gestures from a webcam feed.
- Built and curated a custom dataset of hand gesture images captured from multiple angles, applying pre-processing and feature extraction to improve model generalization.
- Integrated a complete end-to-end pipeline including hand detection, image pre-processing, CNN-based gesture classification, and text-to-speech conversion (pyttsx3) to enable seamless communication between sign language users and non-signers.

Technical Skills

Languages: Java, Html, C, Python

Concepts: Compiler, Operating System, Virtual Memory, Cache Memory

Achievements

- Qualified – Smart India Hackathon (SIH) 2025 Internal Round

Social Engagements

Club Member : at EDC -entrepreneurship society of JSS

Sports-Engagements: Cricket(District level), Badminton(District-level) , Basketball(Stae probables) , Swimming, Football
